

United Kingdom

Recruitment agency is looking for

27 DENTAL TECHNICIANS IN THE U.K.

Description:

A recruitment agency is searching for dental technicians for several job vacancies in the UK. They specialise in recruiting for the dental technology sector and work with dental laboratories throughout the UK. You can apply if you are a qualified dental technician and have experience in any of the following areas:

- + Ceramics
- + Composite
- + Crown & Bridge metal work
- + CAD CAM
- + Dentures / Prosthetics (acrylic / chrome)
- + Model / plaster room work
- + Diagnostic wax up
- + Gold
- + Orthodontics
- + Implants

Whether you are just starting your career or are an experienced dental technician with many years' experience, different jobs are available.

Applicants must speak and write English in order to communicate with colleagues within the dental labs.

Skills:

- + Candidates must be qualified Dental Technicians – preferably with some working experience in the above mentioned sectors
- + Good command of English (B to C)
- + Driving license (B)

Conditions:

- + Permanent contract
- + 28.000 – 50.000 pounds gross salary / annually
- + 40 hours / week
- + Help is usually offered to find accommodation and to get settled in a new environment.

Please send your cover letter and CV in **English mentioning in the object "EURES dental technicians"** to:

ulrich@vkrecruitment.co.uk and in CC: to **eures@cittametropolitana.torino.it**

APPLICATION DEADLINE: 31 March 2018
